

Warranty

Standard Bent Glass Corp warrants:

Each unit of **Laminated Glass, Bent Laminated Glass, and Secur-Tem+Poly®** glass-clad polycarbonate to be free from delamination for a period of five (5) years from the date of manufacture.

Each unit of **Lexgard®** laminated polycarbonate products to be free from delamination for a period of ten (10) years from the date of manufacture.

Each unit of **Insulated Glass (IG)** to be free from material obstruction of vision as a result of film formation on the internal glass surfaces caused by failure of the hermetic seal due to defects in material or workmanship for a period of five (5) years from the date of manufacture.

Insulated units containing laminated glass, will carry a five (5) year warranty from date of manufacture for the IG portion of the product and the warranty stated above for the laminated portion of the product.

Insulated glass warranty does not apply to any IG unit installed in water craft, land vehicles, trailers, swimming pools, or solar collectors.

Air-Gap (AG) units are not covered by Standard Bent Glass Corp's insulated glass warranty.

Air-Gap units are constructed with an exterior lite of laminated glass and an interior lite of laminated polycarbonate. The two lites are separated by an air space (0.25" minimum) which is created using a proprietary edge spacer and seal system. Laminated polycarbonate is hydroscopic in nature and can/will allow moisture to pass through it. As a result, Air-Gap units carry no warranty against, fogging, condensation, or seal failure.

Insulated units (IG), will be void if IG units supplied with breather tubes are not sealed within sixty days of manufacture.

The above warranties are subject to the following terms and conditions. These terms and conditions supersede all Purchaser requests for variations unless Standard Bent Glass Corp accepts such variations in writing prior to manufacturing and shipment of materials.

The warranty is limited to the replacement of the defective product, including shipping charges, and does not include labor costs for removal or reinstallation.

The warranty does not apply to glass which has not been handled, stored, installed, or used in accordance with Standard Bent Glass Corp's instructions or industry guidelines.

There is no warranty against glass breakage, surface damage, or scratches on either glass or polycarbonate surfaces. Purchaser is responsible for processing freight claims.

The warranty does not apply to replacement glass beyond the period covering the original lite.

Warranty for products installed outside of the United States will be issued contingent upon consideration of product application and warranty requested.

The warranty does not apply to material that is not paid for in full.

Standard Bent Glass Corp is not to be held liable for damages or expenses due to late delivery of raw materials; manufacturing delays; defective or broken products (except to the extent of express warranty); internal errors; improper handling or negligence by Purchaser; delays due to strikes, fires, or freight carriers; priorities of the government or any department thereof; natural disasters; or acts that are unavoidable and beyond the control of Standard Bent Glass.
